

Cambian Wisbech School

Week commencing: 25.01.2021

Outcomes:

- Learning
- Revision
- Zoom
 education

Description of the week:

At Wisbech school this week students have been studying fractions in maths, descriptive writing and character profiles in English and focusing on respiration in Science. Students have been completing modules in employability and gathering evidence to support them in completing the course.

On Wednesday students and staff enjoyed a cultural day based on the country of China, arts and crafts, food and games and quizzes were part of the experience and the day was fun for all. All pupils took part and learnt a lot from the set activities.
