Confidence building

Physical Education

End of term trip – Fenrock.

For our end of term trip, we enjoyed a visit to Fenrock. On arrival the climbing instructor spoke to us through the safety instructions and the correct way to let go, fall and land. After the introduction we were able to enjoy time climbing on the wall choosing our own difficulty level and progress. It was a great day!

Quotes:

I feel like spiderman!

This is so fun, It would be good to come back again.

Look how high I have climbed.
