Outcomes:

Appreciation of Mexico

Gaining knowledge

Sharing interesting information

Learning about a different culture

Learning facts about 'Day of the Dead'

Description: On Wednesday 20/10/2021 a Mexican inspired cultural day was arranged for the students to participate in. This involved learning about Mexico, and the culture of Mexico. Students learnt about Day of The Dead during History and delved into the language of Mexico... to try speaking a little Española! During art lesson students created sugar skull decorations with a Mexican theme. In Geography students took a look at Mexican flag and learnt where it is on the world map, and then lastly in music lesson students looked at dancing and listened to some traditional and some more contemporary music from Mexico and had the chance to recreate this with an instrument of choice.
