

# FOOTPRINT

Hill House School

Combian  
Primary School

Welcome to **Footprint**, the first newsletter promoting sustainable living at Hill House School and beyond.

	Health and happiness
	Equity and local economy
	Culture and community
	Land and nature
	Sustainable water
	Local and sustainable food
	Travel and transport
	Materials and products
	Zero waste
	Zero carbon energy

## ONE PLANET LIVING

One Planet Living is a framework created by a company called Bioregional and developed together with WWF.

Find out more at: [www.bioregional.com/oneplanetliving](http://www.bioregional.com/oneplanetliving)

It comprises 10 principles that can be used by anyone to imagine, plan, do, and communicate about sustainability. Back in September, we launched the [Hill House School One Planet Living action plan](#).

The key to its success is to make it easy to do the right thing and then to make small changes. Everyone can make a difference by making one change in their lives ([#makeonechange](#))

## GREEN WEEK 2021

1<sup>st</sup> - 10<sup>th</sup> October 2021 is the first Lympington and Pennington Green Week - a week to celebrate environmental achievements, inform people about climate change, the state of nature, and encourage everyone to live sustainably.

For more information see: [Lympington and Pennington Green Week | Lympington, News, Whats On, Tourist Information](#)

Let's make it Green Activity Week at Hill House School!

Make a logo for our upcoming Green Dragons' Den

♥ Make and display green hearts to show you care ♥

Take a walk in the forest and enjoy some fresh air

Hang a bird feeder or make a [bird seed cake](#)

Recycle - reuse - repurpose something in your home.
