

Outcomes:

- Learning and understanding
- Trying different food
- Diversity
- Creativity
- Gaining knowledge
- Enjoyment
- Social skills

Description:

On Wednesday 23/03/2022 students looked in to the Higan festival which is a Buddhist holiday exclusively celebrated by Japanese sects for seven days; three days before and after both the spring equinox and autumnal equinox. It is observed by nearly every Buddhist. Students at Wisbech school looked in to the food, art, cuisine and history of Japan and the Higan festival.
