

# FOOTPRINT

Promoting happy, healthy and sustainable living at Hill House and beyond.

## JUBILEE!

Everyone around the commonwealth has been celebrating the Queen's Platinum Jubilee and Hill House was no exception. Staff and young people enjoyed a whole week of festivities, which included spending time outdoors in the **sunshine** and **fresh air**, expending lots of **energy** on a **ROYAL BOUNCY CASTLE**, and taking part in a **ROYAL TREASURE HUNT** with eco-friendly "swag bags."
