

Devon Termly Times

Summer Term 2022

Fossil hunters!

Some of us were lucky enough to go on a trip to Lyme Regis where we learnt all about fossils and went hunting for some.

Jubilee celebrations

We had a party to celebrate the queen's platinum jubilee. We had a lovely picnic lunch and games outside for the afternoon.

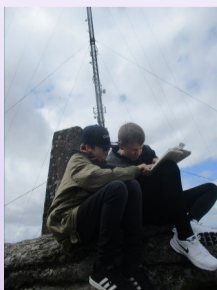

Exeter Cathedral

Some of us had the opportunity to visit Exeter Cathedral. It was really interesting and we learnt so much.

Duke of Edinburgh

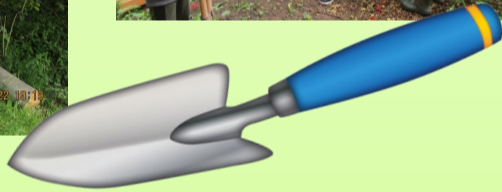

Some of us have been working really hard towards earning our Duke of Edinburgh award. We have been doing expeditions and volunteering every week.

Project Compass

We've been working really hard on our projects at Buckfastleigh and the site just keeps getting better and better!

We like to be active and spend lots of time outside, especially now that the weather is nice.

Have a lovely Summer holiday and we will see you in September!
