Work Ready at Whinfell

This week has been a very busy week as we have dedicated 2 entire days to our careers curriculum. We thought hard about what it means to have a 'positive career'

Students have taken part in

- Employer visits
- Inspira Workshop
- 1:1 independent careers advice
- Skills Builder workshops
- Career Planning and Goal Setting
- Researching a range of careers

All students worked so hard through the activities and had lots of interesting conversations about our future careers.

Guest Speaker

Today we had a visit from Mark Johnson, the managing director of H&H Estates. He gave us a very interesting talk about his career and all the twists and turns he has encountered. We all asked a question about his career as well and used listening and communication skills.
