Your weekly newsletter about our school!

## This Week at School

We were very excited this week to take part in a radio interview for Heart Radio. We were interviewed about our table cricket national final next week.

We also visited the 'airport' this week during assembly to make sure we are prepared for our trip to Paris

Well done to all our young people, who each received their John Muir Award certification.

## Learner of the Week

A big Whinfell well done to our learner of the week, Great work!

## Teaching and Learning

Teachers have been learning about 'Spaced Practice' and how this can help us know more and remember more. We are looking forward to looking at our planning to include our new learning.

## My Proudest Moment
