

## Outcomes:

- ✓ Litter picking
- ✓ Team building
- ✓ Social skills
- ✓ Communication
- ✓ Helping the environment

## Description of trip:

On the first trip the children went to the beach at Hunstanton to do some beach combing. The children picked up litter and washed shells in the sea. The children found a variety of different shells and brought them back to school. The children walked along the beach to Heachem.

On the second trip the children walked along the beach at Hunstanton and walked to Heachem, they collected shells and picked up litter. The children also had an ice cream and enjoyed some doughnuts on the beach and played in the sea to finish the trip.

## Quotes:

"Look this shell is so pretty".

"My foot is wet now".

"perfect walk at the beach looking for shells in the hot weather"
