Promoting happy, healthy and sustainable living at Hill House and beyond.

HILL FEST 2023!

Festival fever hit Hill House School at the end of August with the long-awaited return of Hill Fest. The theme for this year's festival was **RESPECT**: respect for the environment and respect for each other. With faces painted, wristbands collected and bright colours everywhere, all of our young people - and staff - were ready for an afternoon of summer sunshine, music, and mindfulness.

The fun started with dancing to a steel drum and then a quick dash to catch the rock guitarists in the courtyard.

Meanwhile, down on the field some were expending their energy on a bouncy castle or cooling down with the simple joy of a water sprinkler and ice lollies in the shade!

Others enjoyed barbecue and bruschetta to the soothing sounds of Spanish guitar and a harp or participated in a calming yoga session.
