

### FUNCTIONAL SKILLS

2 x Mathematics GSCE

### FUNCTIONAL SKILLS

1 x Mathematics Functional Skills Entry Level 2

3 x English Functional Skills Level 1

### LOOKING TO THE FUTURE

- SB left us this summer and has embarked on a childcare course at Selby College.
- We were pleased that RG passed the necessary qualifications to move on to study his chosen course in catering at Bridlington College.
- KF successfully completed year 11 and gained a qualification in functional skills. We were very pleased that he was offered a place to study plumbing at North Lindsey College.
