

20th November 2023

Dear Parents/Carers

Pantomime – Wednesday 10th January 2024 Cinderella

We are hoping to arrange a whole school trip to the pantomime in Milton Keynes in January, this will be a matinee performance of Cinderella. We will be accessing the Theatre during one of their relaxed sessions. These sessions are perfect for people with learning or sensory disabilities. They will get to see the same show but with a little less noise, bright lights and lowered special effects. There will also be a 'chill out' area available during the performance which young people can access if required.

The show runs from 13.00-15.30 so there will need to be a later collection arranged, from either the Theatre at 15.30 or the school at 16.15

The cost of the pantomime ticket is covered by the school.

Confirmed arrangements will be advised to you as soon as I have further details.

Please can you confirm your young person's interest in this trip by Thursday 23rd November, by email to Elaine.burns@cambianguroup.com or by returning the slip below. **This will allow us to book the tickets at a reduced rate.**

Yours sincerely
