

RED NOSE ROW

SOMERSET SCHOOL 2019

Somerset School staff and students wanted to raise money by rowing the English channel for Comic Relief: Red Nose Day because we want to change lives for the better. It proved to be a fantastic day where everyone worked together to achieve this amazing challenge.

However, Somerset School didn't just cross the channel once, we crossed it almost 4 times by rowing an incredible

120,000 Meters

Thanks to everyone including our sponsors and Concept 2 for loaning us the rowing machines
