

Cambian Beverley School Celebrate Chinese New

Happy Chinese New Year!

February 12th 2021 marked the start of the Chinese New Year; this year is the year of the Ox.

Pupils at Cambian Beverley School had a fun-filled day experiencing aspects of Chinese culture and history. They researched four Chinese dynasties who contributed to the development of the Great Wall of China and were challenged to give their brains a work out completing Sudoku puzzles, (which originated in Japan but are very popular in China.) Pupils made some simple artwork of their names written in Chinese and created some excellent pictures of the Great Wall.

In readiness for lunch we all took part in "Chopstick challenges". These were a series of short individual and team games devised to teach us how to use chopsticks... it wasn't easy! As ever the most popular part of the day was lunchtime. We all indulged in a Chinese style banquet sampling popular Chinese dishes such as chow mein, sweet and sour chicken and spicy beef as well as spring rolls and prawn toast.
