Description of trip:

As an end of term farewell trip for year 11 student, we went to play Footgolf. We were given two colourful footballs to play the course with. On numerous holes, CB really kicked the ball straight and close to the hole. Unfortunately, no holes in one...

After 9 holes we had a delicious pre packed picnic. During this break we spoke about CB schooling and how he enjoyed been at Wisbech school.

After another 9 holes we headed off to Hunstanton Beach for a walk. We ate a delicious Fish and Chips and sat and watched the sea.

Quotes:
