Description:

Today we went on our end of term trip to 'Roar' Dinosaur Park in Norwich. All pupils were very excited and couldn't wait to get there!

Once we had arrived and checked in, we went on the dinosaur trail walk to see the model dinosaurs. Pupils were very enthusiastic to learn the names of each dinosaur and some facts about them. After this, we took a walk around the secret animal garden and enjoyed looking at all the different animals.

The pupils were then very excited about having a go on 'Dippy's Raceway' a track with pedal cars on. All were very well behaved and were considerate of other users.

After a picnic lunch we explored the gift shop for souvenirs and then finished the day with a play on the indoor play area. All pupils were fantastic and a real credit to the school. Parents of other children also commented on how well behaved pupils were!

Both pupils and staff thoroughly enjoyed the day. What a great end to the half term!
