

Fred the Tortoise

On Tuesday 20th July 2021, pupils at Cambian Scarborough School were introduced to a very special visitor, Fred the Tortoise. The morning was spent learning about the tortoise and how to care for it. Pupils enjoyed trying to feed it cucumber and strawberries. He especially liked the home grown strawberries from the school garden.

Pupils were entertained by getting Fred to follow them around the playground. Fred particularly took a shine to certain pupils' trainers,

choosing to ram into them on several occasions.

Pupils did some follow up work in Science, researching tortoise adaptations.
