water

Leap of faith

Aqua Park

On Monday, 20th July 2021 majority of staff and students visited Aqua Park Rutland for their end of term outing as a school.

On route to the Aqua Park, we stopped off at Ferry Meadows and had a team game of football, as well as playing on the play area.

We enjoyed our prepacked lunches and the beaming sunshine.

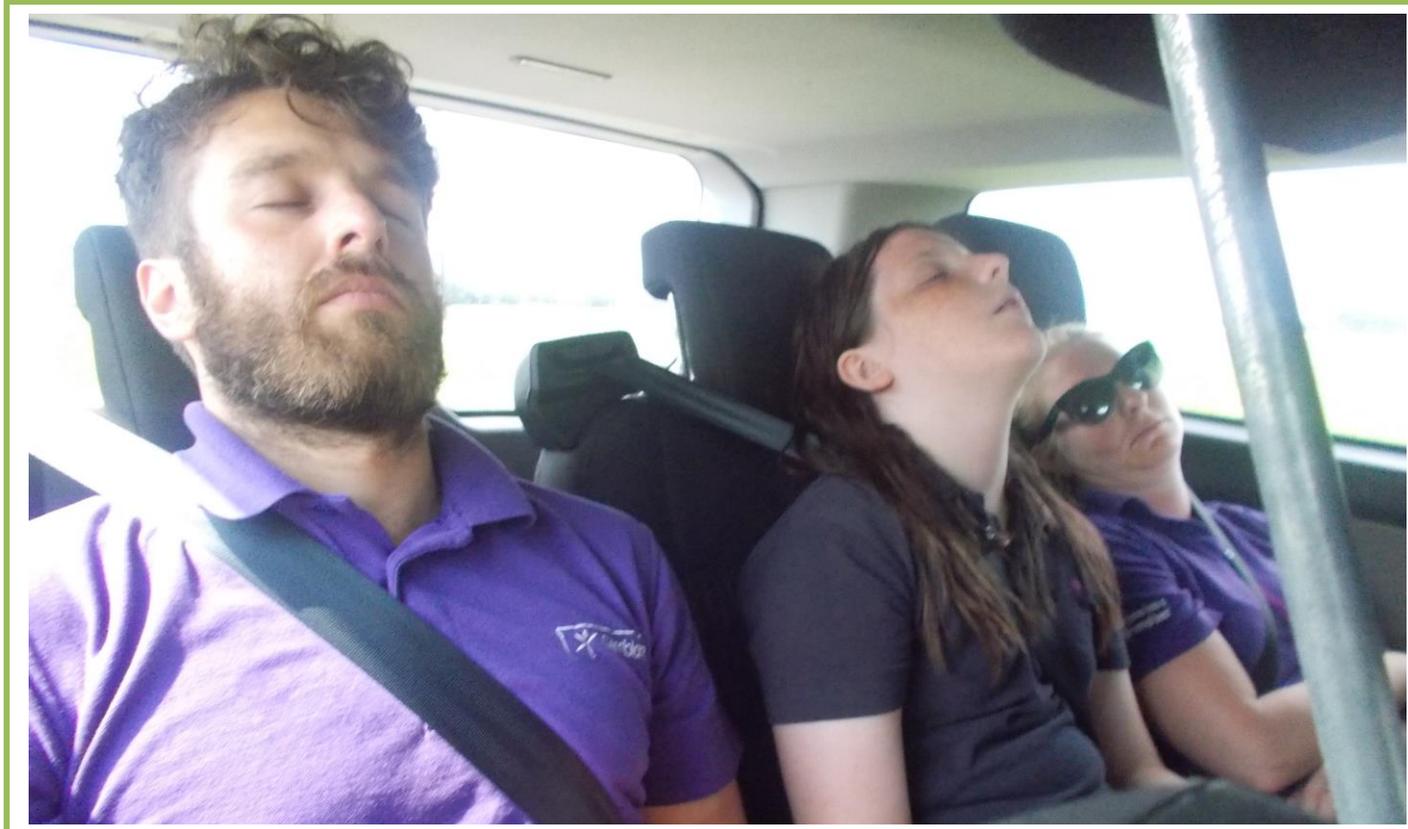

As soon as we arrived the Aqua Park, we changed into our wetsuits, watched the safety briefing and headed straight for the water! This really did test some student's confidence especially when the inflatable jumps were so high, but nobody had given up!

All pupils and staff had smiles on their faces the whole duration of the day! Then everybody was so exhausted, the journey home consisted of lots of sleep.

'I am so tired –
please pull me"
- KAR

'That was like
skydiving" - JP

'I forgot my pants" - BS

Everyone has a personal best
