- What is Hanukkah?
- Cuisine
- Hanukkah music
- The religion of Hanukkah
- History and the tradition
- Art and design, stain glass window
- The culture of the Hanukkah celebration
- Social skills
- Diversity

Cultural Day Report: This term for our cultural day the students have been looking into the Hanukkah celebration which is a Jewish Festival of light. They created a stain glass window display in their art session which is on display on one of our windows for all to enjoy. Students also engaged in a music lesson related to the Hanukkah celebration and they used instruments to recreate traditional music - 'Chanukah'. As part of their religion session, the young people looked at different parts of the culture as well as the traditional Dreidel game. Students explored the history and traditions of Hanukkah and the meaning of Hanukkah. For lunch students enjoyed a buffet of a traditional broccoli pie dish and roasted vegetables.

Quotes:

"This food is nice, can I have some more please"-FF

"This song is very catchy" -BS2

"I really like playing this game"- MH
