

Outcomes:

Artistic expression

Creative dancing

Development of confidence

Development of communication skills in both physical and verbally

Motor skills

Creative Thinking

Express and share personal creativity

Create movement

Different dance techniques

Following choreographed movements and instructions

Children have been working extremely hard in their afternoon activity in dance this term! For the first time in Wisbech school history, children and staff did an 'outstanding performance' in front of colleagues, peers and more importantly, their loved ones! The children performed a variety of sequences, which included various dance styles, completing the performance with all children and staff singing 'Perfect' by Ed Sheeran. There wasn't a dry eye in the house! All staff and loved ones were bursting with pride and requested a Christmas show to follow! A special well done to Jesse Woodward organising a great event that we could all be part of. We hope the children who performed are as proud of themselves as we are. GREAT JOB!

Quotes:

"I was brave"

JG2

"My mum loved it and wants a Christmas show!" TC2

"It was amazing to watch!"
