Development of social skills

The children had an amazing day at Banham Zoo today!

They loved walking around and learning about all the animals and their environments. They especially liked the Giraffe enclosure where they were able to see them up close and then realised just how big they were! They also enjoyed making the animal noises and seeing if they responded to them

Although it was a hot day, the children behaved brilliantly and were thoughtful towards the other people walking around the zoo, opening doors for them and being polite.

We found a nice spot in the shade for our lunch and finished the day off spending time with the sea lions.

Both children were a credit to Wisbech School. Have a lovely summer!

Quotes:

"WOW!! They are massive!"

BS2

"We are here so we need to go this way"

TC2

"What a great zoo!"

Bs2, TC2
