

## Outcomes:

- Complete our sponsored walk
- Behave well in a public place
- Team building
- Mindfulness in nature

## Description of trip:

Today class Koalas went on a trip to Sandringham to complete a sponsored walk.

First, we did some warm up stretches. RR stood in front of everyone and showed the kids what stretches to do.

We then went on the walk. We came across a sign that read 'Make your wish' and we found loads of tags hanging up in a big tree and all around it. The children read some of the tags and chose one that stood out to them. They then said their own wish and everyone was very mature.

We completed the walk and then we went to the park to have lunch. We then travelled back to school.

## Quotes:

"I wish for everyone to be equal in this world" - JG2

"How long have we walked now?"  
- HD

"I'm glad we are doing this for a good cause" - RR
