

Cooking fun

Jamie Leigh has been incredible in her cooking lesson. She has started studying for her BTEC Home cooking skills Level 1 Course.

She has been absolutely fantastic and has engaged really well all day, firstly making scrambled eggs as part of her BTEC criteria and then making her favourite chilli, followed by making a cheesecake for the first time which was absolutely delicious!

Jamie stated that she wished Dad was home as he loves her chilli and would have loved her cheesecake too. The School suggested sending Dad some pictures and that we can make another cheesecake for when Dad is next home, which Jamie appeared to be happy about.

We are really proud of Jamie!
