

Through the North Yorkshire Inclusive School Sports Partnership, Spring Hill were given the fabulous opportunity of receiving 8 hours of wheelchair basketball coaching from The Hammerheads Wheelchair Basketball Club, who are based in Harrogate. The students developed their techniques extremely quickly and developed great teamwork, communication and social skills through working with students from across the school.

Our youngsters always enjoy the chance to experience team sports, but this opportunity helped them to develop a deeper understanding of the added challenges of manoeuvring a wheelchair quickly and safely.
