Letter from SLT

Dear Parents and Carers,

Another sunny week, making us feel hopeful when planning our outdoor activities for next term. This opens up the world for our students instead of just indoor activities, now we can go to the water parks, visit gardens, Go-Karting and forest walks.

PEDALL

Primary will be attending PEDALL cycle inclusion on Fridays next term. PEDALL have a mixture of bicycles, catering for those than can and those that can't ride. You can see information for this here: PEDALL inclusive cycling in the New Forest National Park

Options

We would like to thank year 9 for submitting their option choices, we are now in the position to start timetabling for next year and we will let students know as soon as possible.

Easter Egg Hunt

The Easter Egg hunt organised by our two of our Year 11 students was a great success, with many participating and enjoying the chocolatey treats that were found in preparation for Easter.

Letter from SLT Continued

Mental Health Week

Mental Health week will be happening from the 12^{th} – 18^{th} May and we will be organising activities for the week for all of our students to engage with, we will send information nearer the time.

Staffing update

We are pleased to inform you that Naomi Arthur has taken on the role of Deputy Head of Education/SENDCo. Since January she has been a great support as part of our Senior Leadership Team, ensuring the needs of the students are identified, interventions and supports are implemented.

Hayley Mussell has returned from her maternity leave and we are pleased to welcome her back to work at Southlands. Holly Jeffrey has returned to her substantive role as part of the Safeguarding and Behaviour Support Team. We are grateful to Holly for the support she has provided for assessment processes and to our new families and students during their transition into Southlands.

We wish you all a glorious Easter break and look forward to seeing our residential students on the evening of Monday 21st April and our Day students on Tuesday 22nd April.

ASDAN Awards

What a great occasion on a beautiful sunny day, presenting RF and FF with their Personal Development -Bronze Awards. They have worked really hard and developed new skills as part of the course.

Go-Karting

Written by RF:

Tuesday, we went go-karting for our end of term trip. The track conditions were good and the karts at South Coast Karting were fast, with RF topping the times.

@ 11:39									
Result	Driver Name		Laps	Gap	Fastest Lap	Fastest On			
1	RF	select	19		42.342	19			
2	Hadi Zarbafi	select	18	2.176	44.518	15			
3	JB	select	15	4.141	46.483	13			

Outdoor Learning – Primary 1 and 2

This week for outdoor learning, Primary 1 and 2 went to Wilverley Inclosure for a lovely walk in the fresh air. There were a lot of dens for the children to explore and the running races were so fast we struggled to catch them on camera!

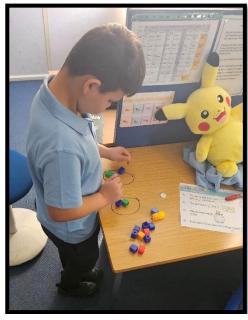

We finished off our trip with an ice cream, as an end of term treat.

Primary 2

This week in Primary 2, we have been learning about fractions and how to represent them in a variety of ways. As a class, we determined that food would best reflect it!

We've also been studying Dogman during this term. We went to the movies to see this, then we worked hard to plan and develop our own graphic book using a website called storyboard! We had so much fun!

Flip Out - Lower Phase Group

This week Lower Phase Group were rewarded with a trip to Flip Out for completing their morning activities consistently well! They all had a fantastic time and demonstrated our school values!

ASDAN

This week, we had an exciting collaboration between the ASDAN and cookery classes to create a special cream tea experience for our dedicated kitchen and admin staff. The young people worked independently to make a variety of scones, carefully following the recipe, paying close attention to measurements, flavours, and ensuring uniformity. They successfully baked a selection of fruit, plain, and cheese scones that were delicious and well-made.

and friendly manner, engaging in pleasant conversations as everyone enjoyed their treats. This event not only showcased their cooking skills but also their ability to work together as a team, demonstrating kindness and appreciation for the hard work of others. It was a truly wonderful display of teamwork and thoughtfulness.

For the cream tea afternoon, the students took on the responsibility of serving the freshly baked scones and tea to the staff. They interacted with the staff in a warm

Well done to everyone involved – you all made your teachers and yourselves proud! Keep up the fantastic work!

Cookery

This week, we've been making Easter treats in class, and the young people have truly impressed with their skills. They've showcased exceptional abilities in weighing, portioning, and mixing, as well as managing their time effectively when setting different ingredients.

There have been plenty of opportunities to display their decorating skills, and I must say, a lot of willpower was shown when the mini eggs were out – some managed to make it to the end! Although, I can't say the same for the chocolate drops, which were a bit too irresistible! As always, the students have amazed me with their focus, safe behaviour, and consideration for others in the class. It's been a real pleasure teaching them during my first full term here at Southlands, and I'm looking forward to many more terms ahead.

I hope you all had a chance to enjoy a treat made by them this week. Wishing you all a wonderful Easter break!

Football

This week a lot of the students opted to join in the Astro-turf lunchtime football games instead of their usual activities due to the glorious Spring weather!

There was plenty of friendly competition all round from both sides.

Spy catcher & Codebreaking Careers Activity

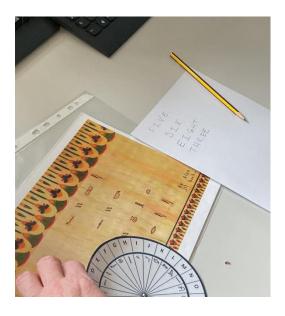

Year 8/9 students took part in an employability skills & team working event at school provided by EBP South.

Students discussed the skills & qualities that employers looked for. Ideas on how to identify these & work towards developing them were shared with everyone.

Students worked in small teams to crack codes that let them unlock padlocks to further clues.

Examples of incredible team work, leadership & lateral thinking were seen during the morning activity.
