## **PCSO Online Safety Visit**

All pupils across the school participated in an assembly from our PCSO's about Online Safety. KS2 and KS3 learned about how to be safe online with gaming and commenting online. KS4 and KS5 learned more in depth about the sending of comments, indecent images, and the dangers of Sextortion. Pupils did really well in answering and asking relevant questions based on the content. Our local PCSO's were very complimentary of the pupils and the knowledge they shared with them.

### Headteacher Forum Reminder

Dear Parent/Carers, I'd like to invite you to an online forum with the aim of talking through some of the exciting changes which are happening within school, and addressing any questions you may have. It will be held on Wednesday 9th April from 1pm until 3pm. To enable as many parent carers to engage with this as possible, we will host this online through Teams. A link will be sent out prior to the event. If you have any questions in advance that you would like us to answer please send them over and we will add that to the session. I look forward to seeing you then. Kind Regards, Carrie McConomy – Headteacher.

### HAF

Below is the link for the HAF, (Holiday activities and food for families), if you were looking for things to do during the holidays. This is for children aged 5 – 15 so there is a wide range of activities to be done!

### SPECIAL GUESTS .... LAMBS!

Pupils had the opportunity to interact, and spend sessions, with some week-old lambs.

Pupils were able to bottle-feed the lambs with milk, and take care of them throughout the day.
