

Outcomes:

- To Explore and learn.
- Behave well in public.

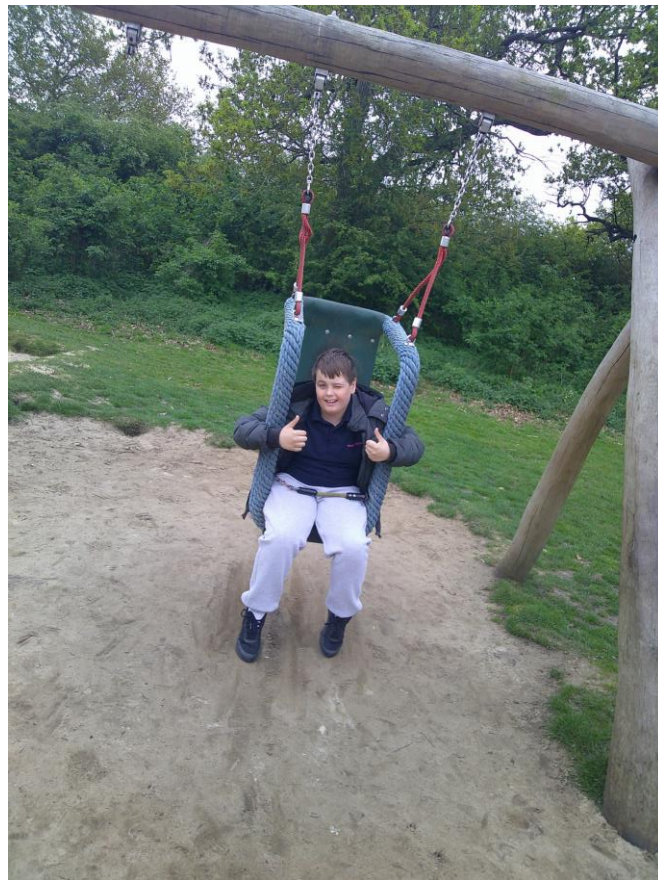

Description of trip: Our first week back and we decided to take a trip out to a Flamingo favourite, Ferry Meadows. Our teacher should have ordered the weather as it was a bit cold, definitely big coat weather! We had a lovely walk chatting and enjoying each other's company. There were lots of new trails and plants added at Ferry Meadows and some boats on the water enjoying the water sports on offer. After a quick snack we enjoyed playing on the play park. It was too cold to play in the water features, even though we were prepared this time with a change of clothes and towel. On our way back to the car we stopped to have an ice cream each. Magnums all round. Thank you Cambian for a great trip.

Quotes:

"This is fun"

"Try and find your bottle!"

"You should have ordered the weather"

Everyone has a personal best
