

## Whinfell Table Cricket Team Shines Across the Region

Our Whinfell table cricket team has once again had an outstanding year, showcasing skill, teamwork, and resilience throughout a series of competitive events.

The season began with a trip to Ulverston Victoria High School for the South Lakeland Tournament. With a few new players joining the squad, there was an exciting mix of fresh energy and experienced talent. The team quickly found their rhythm and played brilliantly to secure **1st place**, earning a well-deserved spot in the County Finals.

The next challenge took us to Penrith for the Cumbria County Finals. The competition intensified, and with one player missing, the team had to dig deep. Demonstrating great determination and unity, they pulled together and delivered a winning performance once again.

Our final stop was the prestigious **Durham Cricket Ground**, where the team competed in the regional tournament. An early start meant some tired eyes on the way there, but once they arrived, the team switched into game mode. A newer team member received fantastic encouragement and support from teammates, highlighting the strong sense of camaraderie within the group. After a series of tough matches, Whinfell proudly finished in **4th place overall** — a commendable achievement on such a big stage.

A huge **well done** to Team Whinfell for representing our school with such enthusiasm, sportsmanship, and determination throughout the season!
