

Kendal United U15 Colts Crowned League Champions – A Shoutout to Noah!

We're thrilled to celebrate the success of the Kendal United U15 Colts, who have officially won their league following the end of the season last week!

A special mention goes to Noah, a student at Whinfell School, who joined the Colts in November 2024, midway through the season. Since then, he has made a significant impact on the team, earning praise for his dedication, performance in matches, and commitment during training.

Joining a new team can be a challenge, but Noah has shown incredible determination and teamwork throughout. We're proud of his achievements and delighted to see his hard work pay off.

A huge well done to Noah and the entire Kendal United U15 Colts team on a fantastic season!
