PCSO Assemblies

Knife Crime Awareness Week - All pupils across the school participated in an assembly from the PCSO's about Knife Crime Awareness. All pupils learned in depth about the rules around carrying knives, the laws around carrying weapons, recognising what classes as a weapon, and the consequences of carrying weapons. Pupils did really well in answering and asking relevant questions based on the content. Our local PCSO's were very complimentary of the pupil's interaction with the content and their knowledge they shared with them

Year 8 Envirosort Trip – Monday 12th May 2025

On Monday a few of our Year 8 pupils went for a trip to the Envirosort Recycling Centre in Worcester. All students were very positive about the visit and behaved impeccably. Some of our students shared their thoughts about the trip: -

TP – “I didn’t understand there was so much to know about recycling.”

LGR - “It was good.”

OK – “I’ve learnt we don’t recycle properly, it was good and I enjoyed the day.”

HB – “I didn’t know I didn’t recycle properly, but Hope helped us understand I didn’t like the smell though.”
