

Book Nook

Reading is fundamental to everything we do academically at school. Ensuring that all students find a love of reading and read for pleasure is equally important. With this in mind, each student has had the opportunity to access reading and reading related tasks at least twice per week during their English lessons and during an intervention slot. Each week, we will share and showcase some of the amazing work being produced by our students so you can see their excellent work and in the case of this week's example, exceptional creativity too!

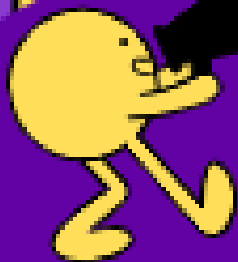

This week's reading task is a redesigned book cover by a student in Year 11. As you can see, not only is the re-imagined cover believable and accurate to the original book it was inspired by (including all the relevant information and features) but most impressively, it shows her wonderful artwork based on a favourite book series.

End of Exams !!

We would like to say a huge congratulations and well done to our Y11 pupils who have finished their exams. We are proud of all of them, and wish them the best with receiving their results in the Summer.

WEEKLY

WHAT'S HAPPENING AT CNES?

Dates

- Monday 16th – Access All Arts Careers Week
- Tuesday 17th –Y11/Sixth Form Drayton Manor trip
- Wednesday 18th – Primary Cadbury World Trip
- Thursday 19th – Enterprise Day

Social Café

Our 6th Form have been running the Social Café in school for the past 5 years. Set up originally as Social Skills initiative, it has since become a Social Enterprise project planned and run by our 6th Formers.

To celebrate this 5-year milestone, we are running a 5-week promotion with 5 customers becoming prize winners at the end of the 5-week timeline. After an exciting prize draw on 11th, 5 winners will get the chance to complete a hunt for map pieces which will then lead them to a prize hidden around school. 4 of those prizes will be a free item from a future café but 1 loyal customer will find the ultimate £25 Amazon Voucher prize.....as always, all our promotions and competitions are open to Students and Staff so, in time honoured fashion we say, 'You have to be in it to win it'

Art Project

We would like to say a huge welcome to Chynna, our new art teacher, and congratulate her on how well she has settled into New Elizabethan School, and bonded with the pupils. For the Summer term, pupils are completing an art project based on making paper mache balloons. These balloons are going to showcase the future dreams and goals of pupils once they have left school.

We want our pupils to dream big, the sky is the limit
