

## Cambian Wisbech School trip report

### Outcomes:

- Team building
- Social skills
- Behaving in public

Today Smarties class took a trip to Adventure land for our Experience trip.

The Weather was beautiful and we made the most of what was on offer, by panning for gold, jumping and rolling around on the sky nets and riding the trains round the gardens.

The class really enjoyed the role play area, driving the cars and tractors round, stopping of at the shops and the petrol station.

All in all a lovely day, finished off with a delicious, well deserved ice cream.

### Quotes:

Is this real gold

Your legs look so  
funny when you run  
on the skynet

This ice cream is  
delicious
