Description of trip: Today Flamingos went to Oxborough Hall to enjoy the historic building and walk in the countryside. We stood admiring the Hall itself, when we found a Norfolk rock, so we kept it in our pocket to leave somewhere else on our walk. Next, we visited the wooded area where some of us practised climbing trees. Our teacher took us for a lovely walk. We found a bridge to play pooh sticks. Some of us didn't know what pooh sticks was, so our teacher told us how it was first introduced in A.A. Milne's Winnie the Pooh tales. We continued on our walk and found a peaceful shepherds hut to relax in that was by a pond where there were two swans with two cygnets. They were so cute and fluffy. (Maybe time for the story of the ugly duckling.) We were tired and hot after our walk so we got deck chairs and sat under the trees relaxing with our peers and teachers. Soon it was time to go. We finished a great trip with an ice cream. Thank you Cambian!
