

Outcomes:

- Team building
- Behaving in public
- Gross motor skills

Today was a really fun day for our Smarties. We started off with a visit to the park to practice for our upcoming sports day and the children loved playing with all of the equipment and this was a perfect way to burn off some energy before heading to the cinema to watch 'How to train your Dragon'.

The movie was a little longer than we had realised and although a bit fidgety, the class loved the movie and was very well behaved. Well done Smarties Class 😊

Quotes:

I wish I had a dragon to ride

Look, I can run on these stilts!

Can you play Tennis with me?
