

Outcomes:

- Nature walk
- Team building
- Behaving in public

Today's trip was only a short journey away to Sandringham Forest. The weather was overcast, but it was a welcome relief from the recent heat we have been experiencing.

We started the trip with a long walk through the forest, exploring and climbing trees, leading on to some den building and finishing off with a play in the park.

As the children were so well behaved, they were treated to an ice cream before our long walk back to the car.

Quotes:

Look at the size of
this stick

Can we have a den
building
competition?

Can you walk back to the
car and bring it round?
