

## Whinfell School Wins Prestigious Super Kind Social Impact Award 2025

We are thrilled to share some exciting news—Whinfell School has been awarded the **Super Kind Social Impact Award 2025!** 🏆

Presented by [SuperKind](#) as part of their #SocialImpactSchoolsAward initiative, this national accolade recognises the inspiring efforts of schools across the UK that are making a real difference through youth-led social action.

Over the past year, our students have gone above and beyond, taking part in a wide range of meaningful challenges—from fundraising for charitable causes and leading community events to engaging in thoughtful debates on current affairs. Their passion, creativity, and commitment to making a positive change have been nothing short of extraordinary.

This award is a testament to the incredible spirit of kindness and civic responsibility that runs through our school community. We couldn't be prouder of our young changemakers for their dedication to building a better world.

Looking ahead, we're excited to continue growing our social impact and empowering students to be the change they want to see in their communities and beyond.
