

Outcomes:

- To Explore and learn.
- Behave well in public.
- Experience a bus trip.
- Purchase goods for Operation Christmas Child.

Description of trip: This week's trip was a bus trip to King's Lynn. It was great to travel by bus. Being so high up on the bus means we could view so much more, which kept us entertained. We also played our favourite car game on the bus, 'yellow car!' When we arrived in King's Lynn we completed our town trail which our teacher created for us. We had to find the football ground, historical landmarks and King's Lynn's oldest building, which dates back to c.1200. We did some shopping in the town to create a shoebox of goodies for Operation Christmas Child. We got some great gifts including, soap, toothbrushes, toys, coloured pens and a notebook. Hopefully our donation will be enjoyed. It's lovely to give back to the community. On the way back we had a competition to see who could guess the number of steps we had completed. We walked a total of 9200 steps!

Quotes:

"Captain Vancouver"

"I think we've done
5500 steps"

"Take us to the Red
Mount"
