# Whinfell School

## Outcomes 2025

### WORK EXPERIENCE

- Student J has completed work experience each Friday afternoon at a local garage in Carnforth, helping with various jobs around the garage and washing cars.
- Student A has gained a wide range of work experience in Cumbria. They have worked at a car garage washing cars, at a local garden centre potting plants, building furniture and stocking the shop, and at a farm visitor centre where they helped clean animal enclosures and feed some of the animals.

### LOOKING TO THE FUTURE

- Student C has successfully moved on to his next steps and is now in supported living within his home area.
- Student A has also made a successful move to a supported living flat in his home area and is continuing his studies at a local college.
