

Outcomes:

- Teambuilding.
- Following instruction from staff and peers.
- Social Learning.
- Demonstrating good behaviour in public.
- Civic Awareness.
- Preparation and Responsibility.
- Life skills

Anglia Way- Firstly we got dropped off to the bus stop and our bus was arriving at 10.20am. Once we had gotten onto the bus, we received our bus ticket which was a return. The bus ride was 45 minutes so we arrived at King Lynn bus stop 11.15am.

Once we arrived at King Lynn, we went to the King Lynn Museum we saw the Sea Henge display, there was a Star Wars exhibition and a taxidermy tiger! This was very interesting for the students they really enjoyed being in the Museum.

Once we had finished in the Museum, we walked over to the Walks Park and the students socially interacted with each other and demonstrated good behaviour in Public. The students really enjoyed the park and the students thought this was a very good park as they had a variety of equipment to play on. Then as a class we walked back to Kings Lynn town.

Then when we got back into King Lynn town, we went into some shops and then walked to the bus stop and waited for our bus to arrive. Once we got onto the bus we were interested in the view and we saw some pumpkins in some field and other crops. The students really enjoyed catching the bus.

Then we arrived back to Wisbech and enjoyed a walk back to Anglia Way.

Quotes:

I want to come on the bus again.

EM

That is so cool seeing a real animal stuffed.

BS

This park is amazing!
