

## Outcomes:

- To Explore and learn.
- Behave well in public.
- Complete a nature photography challenge.

Description of trip: Pinch, punch, first day of the month (Well nearly, it's the 2<sup>nd</sup> October) Our first trip of October saw us taking a visit to Dersingham Bogs to complete our photography challenge. Our teacher gave us a list of images that we had to take photographs of. We enjoyed working in a pair to take some interesting photos of nature. It was great to use this time to bond as a class and be outside to witness the changing of the season, as summer passes into autumn and the leaves are brown and orange. We enjoyed a spot of tree climbing. With time to spare we called into our local sewing shop to buy supplies for next week's challenge of making our own Christmas cards. Thank you Cambian! (All photos are from the photo challenge)

## Quotes:

"I love the autumnal colours"

"Look at the heather. It is so pretty"

"Selfie time!"
