Postcode	BH8 8LP
Telephone	01202 293158
Email	Bruno.ramos@cambianguroup.com

Description of the location

(The premises and the area around them, access, adaptations, equipment, facilities, suitability for relevant special needs, staffing & qualifications etc)

Milton Road is a home for up to 8 mixed gender individuals aged 16-25 years old, who are experiencing difficulties as a result of a diagnosis of Asperger Syndrome/Autistic Spectrum Condition and other associated difficulties falling within the spectrum.

It consists of 8 bedrooms, 9 bathrooms which most are en-suite. We have a lounge, large kitchen diner, office spaces, medical room and laundry room. We have 2 large gardens, the front being nicely landscaped with a drive for our vehicle and our rear garden is nicely enclosed with areas for playing basketball, football and relaxing.

The close proximity of the town facilities and local transport links aids us in helping our individuals to gain independence skills related to getting about, socialisation and shopping skills. Staff will promote and help the individuals seek opportunities for work placements, work experience and volunteering where appropriate.

Individuals are encouraged to be fully involved in the day to day running of the home and will take active part in making food choices, budgeting, shopping, preparing and cooking according to their abilities.

Staff promotes numeracy, literacy and life skills to aid individuals continued development and assist in their ability to make informed choices and decisions about their lives and help reduce their vulnerabilities (money, keeping healthy, keeping safe, current affairs, form filling, etc.,...). Milton Road has direct access to education services at Cambian Wing College and also other local colleges.

The care and welfare of the individuals residing with us is very important. When joining us, they are registered with the local GP, with whom we directly liaise with for ongoing support. Individuals also have access to our therapy team, also part of Cambian Wing College, which consists of Psychiatry, Psychology, Occupational Therapy, Speech and language and Holistic therapy.

At Milton Road we employ approximately 20 people, all of whom work together with close links to promote consistency. Most care staff will hold a level 3 care qualification, or be working towards this. Should a new staff member join us with little care experience, they will work towards completing the Care Certificate. Various staff also complete different level 2 distance learning qualifications to enhance their continuous professional development.

Milton Road operates with 2 shifts per day, which includes a waking night staff team. When situations arise, the staff are able to access a senior manager via our on call list, which operates 24 hours per day for advice and support.

No of approved places / overnight beds (not NHS)
