PERSONAL ACHIEVEMENTS

- Student K was awarded the Principals Award & KS4 English Award for making significant progress academically, in communication skills, social emotional development and embodying our Southlands Values. Their dedication in adopting a mature attitude to studying for their GCSEs in English Language and English Literature was also recognised. They demonstrated great resilience throughout this academic year, overcoming personal challenges, working with perseverance and sitting all examinations. Their English, Art and Photography work is outstanding and their quiet and calm nature has enabled others to feel safe. They have shown kindness to others which has supported them on their own life journeys.
- AR received the KS2 Effort Award in recognition of their exceptional work in all subject areas. They demonstrated remarkable focus and growth in phonics, great curiosity and engagement in topic and amazing work in art. The progress AR has made this year is something to be really proud of.
- H was awarded the JS2 Attainment Award in recognition of their outstanding attainment across the curriculum this year. H has shown excellent understanding and confidence in maths, and made brilliant progress in successfully moving beyond phonics.
- J received the KS3 Science Award for hard work throughout the year and demonstrating a keen interest in all aspects of the subject.
- The Sports Ambassador Award was achieved by L, for consistently demonstrating excellent sportsmanship and supporting younger peers to access sporting activities during lesson and unstructured times.
- A was awarded Sports Player of the Year for showing great determination in PE and Saints this year and for working really hard in football, badminton and rounders.
- LA was successful in winning the KS3 English Award for demonstrating resilience, attendance and effort in lessons.
- S received the KS3 Maths Award for excellent progress and attainment, which enabled them to take the functional skills Level 2 exam.
- AN won the KS4 Maths Award & KS4 Science Award for fantastic resilience and dedication in improving their grade and showing a great aptitude for science at the highest level.
- R was awarded the Head of Education Award for overwhelmingly impressing the teachers who recognised for their maturity, kindness, respectfulness and resilience.
- W received the Head of Care award for growth in their ability to communicate both on-site and around members of the public over the last twelve months. W has become more aware of their surroundings and has gained an understanding of what is expected of them, and are able to keep themselves safe. Through this increased confidence W has helped with donations for the food bank, taken part in the colour run, prom night and disco!
