

Outcomes:

- To Explore and learn.
- Behave well in public.
- Enjoy and experience friendly competition with their peers.

Description of trip: Today we went on a trip to Scalextric racing. There are eight race tracks and you record how many laps you can complete in eight minutes. The winner is the person with the highest number of laps. All of the courses are replicas of existing courses. Some of our favourites were Dijon-Prenois, Silverstone, Snetterton and Cadwell Park. They are all famous tracks used by Moto GP and Formula One. We all played in good spirits showing excellent sportsmanship. At the end we had our photo on the podium. First place completed a total of 400 laps, second place completed 366 laps with 3rd just missing out with 361 laps. On our journey home we stopped at the local church to drop off our 'Operation Christmas Child' shoebox for their appeal. It felt good to give back to those less fortunate than ourselves. Thank you Cambian for another great trip!

Quotes:

"My favourite track was Cadwell Park"

"And the winner is...."

"Are these all real race tracks?"
