

## 🐾 ❤️ Meet Our New Arrivals: Kay & Molly! ❤️ 🐾

We're so excited to welcome two gorgeous donkeys, Kay and Molly, to our Dilston College family!

Kay and Molly have settled in beautifully and are already winning hearts with their gentle natures, curious snuffles, and very impressive snack-seeking skills. 🍎 🥕

They'll be joining our animal-assisted learning sessions, where students can build confidence, communication skills, and emotional wellbeing through hands-on care and connection.

Keep an eye on our page for updates, photos, and plenty of donkey-powered joy. ✨

Welcome home, Kay & Molly!
