

Rookie Lifeguard Training

The Spring Hill Curriculum and Enrichment offer is ever-evolving! We are fortunate to have two accredited swimming teacher staff members, one of whom is supporting some of our children to acquire their Rookie Lifeguard Qualification.

We are extremely fortunate that Bedale Swimming Pool are supporting us with this. They have allowed us to have exclusive access to the whole pool to support our learners who have already completed their Bronze Stage 1! What an amazing achievement!!

For more information about the award, click here: [Rookie Lifeguard Awards | Learn about the Awards](#)
