

Outcomes:

- To Explore and learn.
- Behave well in public.
- To celebrate Christmas and go Christmas shopping.

Description of trip: Our highlight of the year: Christmas shopping. We have all worked so hard this year to gain our points and now we reap the reward of spending our points money. We all went off separately with our key workers and chose presents for our families and got ourselves a few treats. It was lovely to look round the shops and see the shopping mall so full of festive spirit. We all met up and went to McDonalds for our lunch. One boy bought some sweets for the journey back home to share. We all had a great day. Lots of fun with our class. This will be the last year Christmas shopping with Flamingos. Thank you to all of the Flamingos team for a lovely Christmas shopping trip this year and the last two years. Thank you to Cambian for our points money to use at Christmas shopping, it was much appreciated.

Quotes:

"I'll get earrings for my Mum"

"I can smell Lush from here!"

"Do you like my new trousers?"
