

On Monday 8th December, we celebrated our eldest students, DJ Burnsey's 18th Birthday!

Tyler has been with us since 2020 when he was in year 8; he's come a long way and achieved so much with us here at Tyldesley school.

To celebrate, we filled the school with photos of him (some embarrassing baby pics from his mum!) and threw him a surprise party in form room. We invited past staff that Tyler has been fond of over the years to surprise him.

The afternoon was filled with laughter and music and I think for once Tyler was speechless! Tyler, it has been a pleasure to watch you go from a cheeky young lad into a kind, caring, sensible young man! Happy 18th Birthday!
