

Cambian Wisbech School – Christmas Toy Drive

Christmas Toy Drive - 2025

Date: 10.12.25

Wisbech School students selected and donated toys for our local Christmas Toy Drive.

Each class group/year group at Wisbech school selected a toy that they would like to donate to a local Christmas toy drive.

Together they selected 10 different toys for a mix of age ranges that we could donate to the Wisbech Police station who were running a toy drive.

Year 9's then had the privilege to drop these off.

The toys will now be sorted by local social workers who will distribute to local families.
