Description of trip: Our last trip before Christmas and what better way to round the year off, but with a Pantomime. This year was Jack and the Beanstalk. We had balcony seats, the best seats in the house. Oh no they're not, oh yes, they are! (we just had to get that in somewhere!) The dancers were amazing and to think some of them are our age. Such talent. It was great to see the same actors from last year as the Dame and the Dame's son. They are always very funny and entertaining. We fully embraced the Pantomime and got involved in the booing of the villain and the singing and dancing. Our favourite character is the Dame. They always have the best outfits and the funniest lines. A fabulous experience day for all. Thank you Cambian for our great experience days for 2025. Merry Christmas and best wishes for the New Year!
